The screenshot shows the Domain.com website interface. At the top, there is a navigation menu with links for 'Find a Property', 'Research', 'Find Agents', 'For Owners', 'Home Loans', 'Insurance', 'News', 'Commercial', and 'Log In'. The main heading is 'Home Price Guide' with a sub-heading 'Price estimate for any property, full history for any building, street or suburb.' Below this is a search bar with the placeholder text 'Search by address, building, street or suburb' and a green search icon. Underneath the search bar, it says 'YOUR HOME' and 'Can't see your address here?'. A small inset image shows a property listing with a price estimate of '\$1.35m'. To the right of the search bar is an illustration of a house with a magnifying glass over a '\$\$\$' symbol. Below the illustration, there is a text block: 'Browse unlocked information for 13 million properties in Australia!' followed by a paragraph about APIM PriceHinder and a link 'See what your home is worth'.
